

The video management platform that meets any demand

The Arkiv video management system is available in three packages: Professional, Enterprise and Unified Check out the list of Arkiv features and functionalities for each package below to find out which package best suits your needs.

Arkiv			
Features	Professional	Enterprise	Unified
by Licenses	i ioicoolollai	Lincorphice	Omnea
Max. number of servers in a distributed system	30	30	Unlimited
Maximum number of cameras in a system	Unlimited	Unlimited	Unlimited
Real-time analytics (Object Tracker)	Included	Included	Included
Edge analytics (camera metadata)	Included	Included	Included
Edge storage (playback only)	Included	Included	Included
GreenStream adaptive bandwidth management	Included	Included	Included
Interactive 3D Map	Included	Included	Included
Web Client	Included	Included	Included
TimeSlice search (search by time intervals)	Included	Included	Included
Macros (event-response scenarios)	Included	Included	Included
ONVIF Profiles G, S, T	Included	Included	Included
Video bookmarking (searchable text comments)	Included	Included	Included
FrameMerge	Included	Included	Included
ArkivNet cloud service	Included	Included	Included
ArkivNet Reports	Included	Included	Included
Cross-System Client Storage Replication	Included	Included	Included
Storage Replication Failover		Included Included	Included Included
Videowall	<u> </u>	Included	Included
LDAP Service		Included	Included
Datacenter Domain Unification	_	-	Included
Offline Analytics (Smart search in imported videos)**	-	-	Included
Post-Analytics smart forensic search			
Multi-camera face search			
Face mask detection Multi-camera LPR/ANPR search*			
Target & Follow (PTZ object tracking)	Add-on (purchase per camera)	Included	Included
Al human/vehicle detection	Aud on (puronase per sumera)	moraca	moraucu
Al tire/smoke detection			
Al fire/smoke detection People counting			
People counting			
People counting Heat Map Queue detection			
People counting Heat Map Queue detection Surveillance Pack includes			
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking**	Add-on (purchase per camera)	Add-on (purchase per camera)	Included
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search**		Add-on (purchase per camera)	Included
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in		Add-on (purchase per camera)	Included
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets	cludes		
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests		Add-on (purchase per camera) Add-on (purchase per camera)	Included Add-on (purchase per camera)
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing	cludes		
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests	cludes		
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down	cludes		
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms	cludes		
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person	cludes Add-on (purchase per camera)	Add-on (purchase per camera)	Add-on (purchase per camera)
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person Social distancing Violation	cludes Add-on (purchase per camera)	Add-on (purchase per camera)	Add-on (purchase per camera)
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person Social distancing Violation Additional Modules	cludes Add-on (purchase per camera) Add-on (purchase per camera)	Add-on (purchase per camera) Add-on (purchase per camera)	Add-on (purchase per camera) Add-on (purchase per camera)
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person Social distancing Violation	cludes Add-on (purchase per camera)	Add-on (purchase per camera)	Add-on (purchase per camera)
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person Social distancing Violation Additional Modules Integration with Access Control System	cludes Add-on (purchase per camera) Add-on (purchase per camera)	Add-on (purchase per camera) Add-on (purchase per camera)	Add-on (purchase per camera) Add-on (purchase per camera)
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person Social distancing Violation Additional Modules Integration with Access Control System (licensed as an add-on in all editions)**	cludes Add-on (purchase per camera) Add-on (purchase per camera) 50 Readers max.	Add-on (purchase per camera) Add-on (purchase per camera) 100 readers max.	Add-on (purchase per camera) Add-on (purchase per camera) Unlimited readers
People counting Heat Map Queue detection Surveillance Pack includes Multi-camera object tracking** Similarity Search** Personal Protective Equipment Detection Pack in Helmets Hi-viz Vests Protective Clothing Human Behavior Analytics Pack includes Man down Raised arms Squatting person Social distancing Violation Additional Modules Integration with Access Control System (licensed as an add-on in all editions)** Integration with Fire/Security Alarm System** Integration with Perimeter Intrusion Detection System** Support for external event sources (POS, other devices)	Add-on (purchase per camera) 50 Readers max. Add-on (purchase per camera) Add-on (purchase per camera) Add-on (purchase per camera) Add-on (purchase per camera)	Add-on (purchase per camera) Add-on (purchase per camera) 100 readers max.
