

## INC-PSTNLC

### | Inaxsys Incomlink PSTN Line Card add-on

## UNIFY YOUR SECURITY SOLUTION

Incomlink represents the state of art in receivers.

Add a PSTN line card add-on to your INC-3URX!

Learn more about our Incomlink line on our website. Communicators, receivers, SIM Cards, Line card - everything under the same brand. You don't have to worry that they work together.

At Inaxsys, we unify your security solution.

## Features

- PSTN line receiver module with protection against overvoltage
- Stores up to 2,000 events
- Used to add one phone line connection to the receiver
