

Inaxsys Security Systems Legend products and NDAA

Inaxsys Security Systems Inc, hereby declares that all the products under the *Legend* brand are compliant with the John S. McCain National Defense Authorization Act (NDAA) and do not contain “telecommunications equipment or services” banned by the NDAA, nor do they employ any component or technology of any system—substantial, essential, critical, or otherwise—from the banned Chinese companies.

Best regards,

A handwritten signature in black ink, appearing to read 'A. Boisvert', enclosed within a hand-drawn oval.

Alain Boisvert, Vice-President of Sales
Inaxsys Security Systems Inc.
