15 years ago, Inaxsys Security Systems opened its doors as a supplier of the highest quality products available in the security industry.

Since that moment, our expansion has never stopped and we are proud that we still have exactly the same vision as we did on that first day:

Making the customer our number one priority.

Today, we invite you to our own Roadshow!

The Roadshow will travel across Canada to showcase all our latest and upcoming products.

We have taken the necessary steps to ensure a safe environment for everyone.

This private event includes:

an Inaxsys' exclusive gift bag,

a gourmet lunchbox of your choosing,

Four Demo Stations featuring our latest technologies,

Exclusive Roadmap Presentation of upcoming products.

Join us on November 26th at the Four Points Sheraton to witness true innovation.

NB this is a private event with limited places to ensure social distancing.
