

4U Enterprise-Class IP Servers

All-in-One Solution

Video recording, web/mobile client hosting, and local live video display from the same server.

Unlimited Scalability

Can come pre-loaded with Arkiv, IVTVision or STORM video management system (VMS) software, or can run your favorite VMS. Manage individual systems from the same user interface or upgrade to your VMS software to easily manage multiple servers simultaneously.

Enterprise-Class Storage

Up to 192 TB of storage per server using continuous duty enterprise-class drives. RAID5 is standard on these servers and RAID6 is optional.

Enterprise-Class Hardware

Windows 10 Professional is the standard operating systems, with Windows 2012 or 2016 optional. Dual redundant power supply and Hot-swappable Enterprise-Class Hard drives are standard.

3-Year Hardware Warranty, 3-Year Software Subscription Agreement (SSA)

3-year hardware warranty and SSA included.

Technical Specifications

Camera Settings
