

Desktop IP Camera Recorder

All-in-One Solution

Video recording, web/mobile client hosting, and local live video display from the same server.

Unlimited Scalability

Can come pre-loaded with Arkiv, IVTVision or STORM video management system (VMS) software, or can run your favorite VMS. Manage individual systems from the same user interface or upgrade to your VMS software to easily manage multiple servers simultaneously.

Enterprise-Class Storage

Up to 32 TB of storage per server using continuous duty enterprise-class drives.

Enterprise-Class Hardware

Windows 10 Professional is the standard operating systems, with Windows 2012 or 2016 optional. Hot-swappable Enterprise-Class Hard drives are optional.

3-Year Hardware Warranty, 3-Year Software Subscription Agreement (SSA)

3-year hardware warranty and SSA included.
